COVID-19 Officer	mail@football-invasion.co.uk
Completed by	Football Invasion
Date of Completion	10/09/2020

What are the Risks?	Who might they affect?	General controls to be put in place
For some people, the risk of COVID-19 is higher	Players and Officials	High risk groups are aware of the risks involved in football and have access to the personal risk assessment
		There is no pressure from Football Invasion to join Football sessions
Risk of someone attending who is displaying symptoms of COVID-19 or living with someone displaying symptoms	Players and Officials	Provide clear information to all members of potential COVID-19 symptoms
		Ensure pre-game/travel health communication is sent with fixture reminders
		Confirmation of no symptoms required before games kick off
		Any individual displaying symptoms advised to return home, self-isolate and apply for a test online or call 119
Testing Positive	Players and Officials	Name & contact detail of anyone in attendance collected/processed for Test and Trace purposes (stored for minimum
Transport to and from activity	Players and Officials	Car sharing outside of household or support bubble is discouraged
		Adherence to Government guidance on travel and public transport
Droplet transmission	Players and Officials	Reminders to maintain social distancing on arrival at venue
		Congregating before or after football session is not permitted
		One way systems in place to manage entry and exit onto court
		Match officials and subs positioned at least 2m apart or 1m+ where this is not possible
		Shouting is not permitted.

		Hand Sanitiser and hygiene protocols in place prior to attendance and upon arrival
		All equipment including posts to be sanitised before and after each session
		Bibs not shared
Fomite transmission via equipment	Players and Officials	Inclusion of hand hygiene and ball sanitisation breaks every 15 minutes
		Sanitise post if players touches before play resumes
		Water bottles and whistles must not be shared and any left at end of session should be disposed of
		Where possible, football activity should be conducted outdoors, providing there are acceptable facilities available and weather conditions allow.
		Activity is planned appropriately after a substantial break from the game to reduce risk of injury
		Players can only play in one game during the evening.
Airborne transmission	Players and Officials	Clear and regular reminders of rule modifications during session
Activity and common football behaviours	Players and Officials	Markers to demonstrate distances
		Players arrive ready to play, use of changing room is not permitted
Multiple Matches	Players	Hand sanitiser to be available on courts so use of toilets is not needed for hand washing
Players playing more than one game in a session	Players	Injured person to administer own first aid
Vulnerable adults	Vulnerable adults, carers of vulnerable adults	Hands to be sanitised before and after using first aid kit
		Ensure any waste is disposed of safely
Toilets and changing rooms	Players and Officials	First aid to be administered by an official or venue
		Hands to be sanitised before and after administering first aid
A minor injury is		First aid to be administered with non-surgical face mask and gloves

sustained where the injured person does not require assistance	Players and Officials	Ensure any waste is disposed of safely
		Information shared in advance to avoid unintentional breaches
A major injury is sustained where the injured person does require assistance	Players and Officials	Player reminders in place
		Persistent, intentional breaches dealt with by Football Invasion
		Continuous review to identify any further adaptations that are required
		Each venue will have its own risk assessment and specific procedures
